

RADHIKESH INTERNATIONAL

Logistics Management and Supply Chain Solutions

Welcome to Radhikesh International Your **Global Logistics Partner** Since 2007

Since our inception in 2007, Radhikesh International has been transforming the landscape of logistics management and supply chain solutions. We take pride in our commitment to reaching every destination with unparalleled care and security, ensuring your cargo moves seamlessly across borders and continents.

Our Strengths:

- Pioneering logistics management and supply chain solutions
- Comprehensive services in Air, Ocean, and Road Transportation
- Nationwide presence across major ICDs in India
- International operations through Sea and Air

Radhikesh International

Our Comprehensive Services Excellence in **Every Movement**

At Radhikesh International, we understand that each shipment has its unique requirements. That's why we've developed a comprehensive suite of services designed to meet every logistics challenge with precision and expertise.

Air Freight

Our air freight services combine speed with reliability, offering you fast and effective freight forwarding with complete end-to-end visibility. We ensure on-time delivery while maintaining optimal cost efficiency for your time-sensitive cargo.

Ocean Freight

Through our extensive maritime network, we provide cost-effective sea transport solutions with global connectivity. Our services include:

- Full Container Loads (FCL)
- Less than Container Loads (LCL)

Road Freight

Our robust road transportation network forms the backbone of domestic logistics, offering:

- GPS tracking for real-time monitoring
- Specialized cargo handling capabilities
- Customized transportation solutions

Value-Added Solutions Beyond Transportation

We believe in delivering more than just transportation. Our value-added services are designed to provide you with a complete logistics solution that addresses every aspect of your supply chain needs.

Warehousing & Storage

Our state-of-the-art warehousing facilities offer secure and efficient storage solutions:

- Strategic locations across India
- State-of-the-art facilities
- Custom clearance services
- Advanced security systems

Specialized Handling

We excel in handling diverse cargo types with specialized requirements:

- Agricultural commodities
- Garments
- Automobile cargo
- Project cargo
- Dangerous goods

Our Network Strategic Presence

Radhikesh International's strategic network spans across key locations in India and extends globally, ensuring seamless connectivity for your cargo movement needs.

National Coverage

Our presence in major Indian cities enables efficient domestic logistics:

- Eastern India
- Southern India
- Western India

International Reach

Our global network facilitates worldwide cargo movement through:

- Extensive air freight network
- Major ocean routes worldwide
- Trusted partner network

Why Choose **Radhikesh** Your Advantage

When you choose Radhikesh International, you're partnering with a company that brings together years of expertise, unwavering commitment, and innovative solutions to address your logistics needs.

Expertise

Our foundation is built on:

- 15+ years of industry experience
- Dedicated professional team
- Custom-tailored solutions

Commitment

We stand by our promises:

- On-time delivery
- Cost-effective solutions
- Real-time tracking
- Complete documentation support

Our Promise

"Delivering Excellence in Every Shipment"

Our vision drives us to become the prominent leader in logistics management and supply chain solutions, while our mission keeps us focused on ensuring best-in-class service with lasting customer relationships. Every day, we work towards building stronger partnerships and delivering superior logistics solutions that help your business grow.
